FARGO VILLAGE TEAM BUILDING ACTIVITIES, CORPORATE DAYS AND NETWORKING.

Are you looking to take your team out, build their teamwork skills? Develop new relationships? And have a bit of fun? We can offer something a little different in our unique environment with over 40 independent businesses.

From a small group to a big team, tiny budget to no expense spared, we can tailor-make a day, evening or weekend that's fresh, fun and inclusive for all.

#LOVEFARGO

FarGo is an artistically repurposed industrial space in Coventry City Centre, designed exclusively for creative, independent businesses and like-minded visitors. Located on Far Gosford Street, a recently regenerated area of the Midlands with a rich cultural heritage, the area surrounding FarGoVillage is quickly establishing itself as Coventry's Creative Quarter.

ESCAPE LIVE

www.escapelive.co.uk/escape-games/coventry

Looking for a team building event with a difference for your business or organisation? Escape Live offers a cost effective, fun and innovative way of getting people to work together to overcome challenges and solve problems. In teams of up to six people per room, participants have just 60 minutes to escape before their time runs out. Their only chance of beating the clock is to put their heads together and act as a team. Booking in advance is essential and prices start from £14 per person.

TWISTED BARREL ALE

www.twistedbarrelale.co.uk

Twisted Barrel Ale & Tap House opened at FarGo Village in June 2015 and is rapidly becoming a shining star of the craft beer industry. They host regular theme and movie nights, acoustic music sessions and are open for tours and tastings offering an entirely unique experience for Coventry and its many visitors. Bring your team in for a tour, night in the brewery or even make your own bespoke brew!

POP BANG COLOUR

www.popbangcolour.com

Pop Bang Colour, also known as Ian Cook is a contemporary British artist internationally known for his unique form of painting. Ian creates his art solely using the method of radio-controlled cars, car tyres and toy car wheels as his paintbrushes. Workshops with Ian are a fun, unique, hands-on experience as everyone gets painting with their RC Cars!

CHOC N ROLL

www.chocnroll.net

LOVE CHOCOLATE? Who doesn't! Our resident Chocolatier Tony Davies holds workshops for small groups. Tony shares his wealth of experience and skills to help you learn how to make chocolate, macarons, or both. This workshop very hands-on and practical and you get to take whatever you make home with you!

LET'S ANIMATE

www.letsanimate.co.uk

Let's Animate animation studio, provide animation filmmaking workshops, which enhance creativity, imagination storytelling and skills. Team building workshops can be tailored to your needs, whether you require a half-day taster session or a full day animation course Let's Animate will take your team on an animated journey of fun filmmaking. All workshops encourage team skills, problem solving, creativity and collaboration, your show is about to begin!

In addition to these super activities, how about arts and crafts workshops, furniture upcycling, manga drawing classes, jam and chutney tasting even jewellery making workshops. The list is endless and very eclectic. Contact us to talk through all the different options that are available.
