VIRTUAL & HYBRID EVENTS

With the increasingly popularity of virtual and hybrid events, we can offer a flexible range of in person events seamlessly linked with virtual content, streaming and presentations.

Our in-house technology and technical support ensure that a memorable experience is created, with a wide reach and participation. We can support you in arranging your event, talk to us about our options and cost-effective packages.

CATERING YOUR EVENT

At The Box we're flexible with our catering and are able to find the right catering for you and your conference. Whether it be independent gourmet food, street food or catering for 200 +, we will have the right packages available for you.

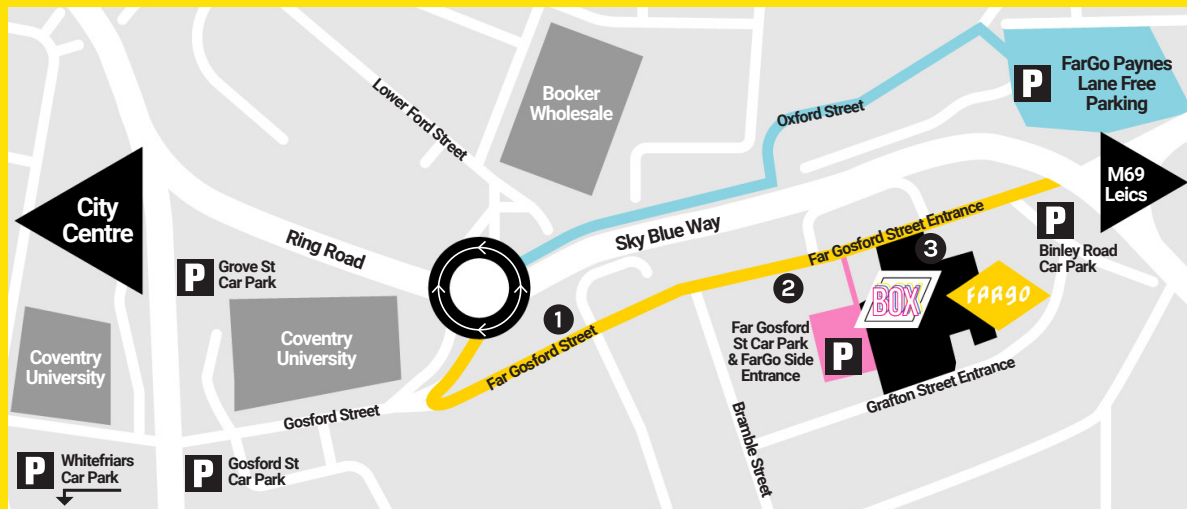

Our Food Hall, The Factory has delicious street food options and our on-site craft brewery is always a popular choice at the end of a busy day.

TEAM BUILDING

We like to think of ourselves as offering something a little different to the norm - we can offer activities from chocolate making to art and animation classes to mediation, escape rooms, beer making and more.

We have relationships with many other local attractions, restaurants and services to make your event very special and memorable.

ACCESS & PARKING

There are 6 car parks within a half mile / 10 minute walk of FarGo Village. We're also situated on 2 major bus routes (all the details are on our website) and we've got plenty of bicycle parking too.

On event days, we strongly recommend you do not attempt to drive up Far Gosford Street as it can get extremely busy. Please try Paynes Lane car park or any of the City Centre Council car parks.
