FOOD + DRINK

For weddings and parties, we recommend booking one of our many wonderful on-site caterers at FarGo Village as they know the village, have tons of experience and are close at hand.

We don't organise catering or get involved in that side of things on the day. You are welcome to bring in an external caterer providing they meet all the relevant Health & Safety, and insurance requirements.

*We have no kitchen facilities in the venue, caterers will need to operate a temporary kitchen and bring in all the equipment, crockery, cutlery, waiting staff etc that is required.

We have an experienced bar team that will ensure fantastic service and, we can provide a wide range of welcome drinks, table drinks and full bar service to keep your guests suitably refreshed throughout the event. For this reason, we ask couples not to book mobile bars.

BAR PACKAGES

Welcome Drinks: Choose from Prosecco, House Wine or soft drinks.

Table Drinks: A wide range of alcoholic and non-alcoholic drinks can be provided for your guests to enjoy with their food.

Create your own bespoke drinks package; the choice is yours, cocktails, craft spirits and beers. We can provide kegs of your favourite tipples. Additional charges apply to special requests.

ENTERTAINMENT

Background music in the bar can be played from a playlist of your choosing

Any live music, DJ and any entertainment you bring in will need to provide their own equipment and PA (they usually prefer to do this.) All we need is a copy of their PLI and PAT test certificate, which all professional acts will have as standard.

FREQUENTLY ASKED QUESTIONS

BEFORE BOOKING

How do I find out about availability?

Please email fargo@fargovillage.co.uk

Why do you offer hire over 3 days?

As we are a blank canvas, you will need time to style the space to your vision. You can access the venue in the afternoon before the wedding, from 09.00 am on event day until 1.00 pm on the day after. This gives you and your family/friends plenty of time to set up flowers/table plans/place cards/decorations etc and take it all away again!

What if we want to hire the venue for longer?

If you are having a complicated or sizeable set-up and need more time for this, we can normally extend the venue hire for an extra fee. Please reserve this at the time of booking as we cannot guarantee availability later.

AFTER BOOKING

What happens now?

You get to relax for a minute! Please return your hire agreement, pay your deposit and the venue is secure. We can introduce you to our on-site caterers and other suppliers you may wish to use such as DJs and AV Technicians. We will arrange to meet you around 3 months prior to your day to

start looking at the final details and then again, a couple of weeks before to finalise the numbers and timings. We are of course available to answer any questions when needed.

Setting up for your wedding?

All setup, decorations, laying tables etc is done by you, your family, caterers etc or you may want to engage a specialist company to handle this. Our staff are not able to provide this service for you. Allow time for this when planning your day.

What facilities do you have for external caterers?

We have a dedicated area that is suitable for food preparation with white rock walls, a sink and power. There are no fridges/freezers so all food and fresh goods should be delivered on the day of the event. If you have hired in additional furniture, crockery etc this can be delivered on the setup day morning and needs to be removed at the end of the hire.

Where can guests park?

We have a car park right next door (Pay & Display) and a further free car park just a few minutes' walk from the venue. We are also only 10 minutes' walk from Coventry city centre and served by local buses. There is a taxi company located on Far Gosford St for those needing a lift home after the party.

What furniture do you have?

The hire of the space includes trestle (x 25) or round tables (x 10) and a choice of black/yellow chairs or wooden benches for a more rustic look.

Is Confetti allowed?

Yes, no problem, but biodegradable only please.

How do I play music?

We can play a playlist of your choice in the bar/foyer area through our system. We can provide background music through our system in the main space. If you are bringing in live entertainment or a DJ they will need to provide their own PAT-tested equipment and be responsible for this throughout the event.

What sort of decorations do you allow?

It's your day and we want you to let your imagination run wild, that said safety is important and we ask that you do not have naked flames. Candles can be enclosed in holders, storm lanterns etc. The walls can be used for decorations, displays, photos and similar provided they leave no marks. All decorative items should be removed during your de-rig period and removed from the site.

ACCOMMODATION

In terms of accommodation for your guests, we're able to provide preferential rates at the new **Coventry Telegraph Hotel** based only a 5-minute drive away from our location.

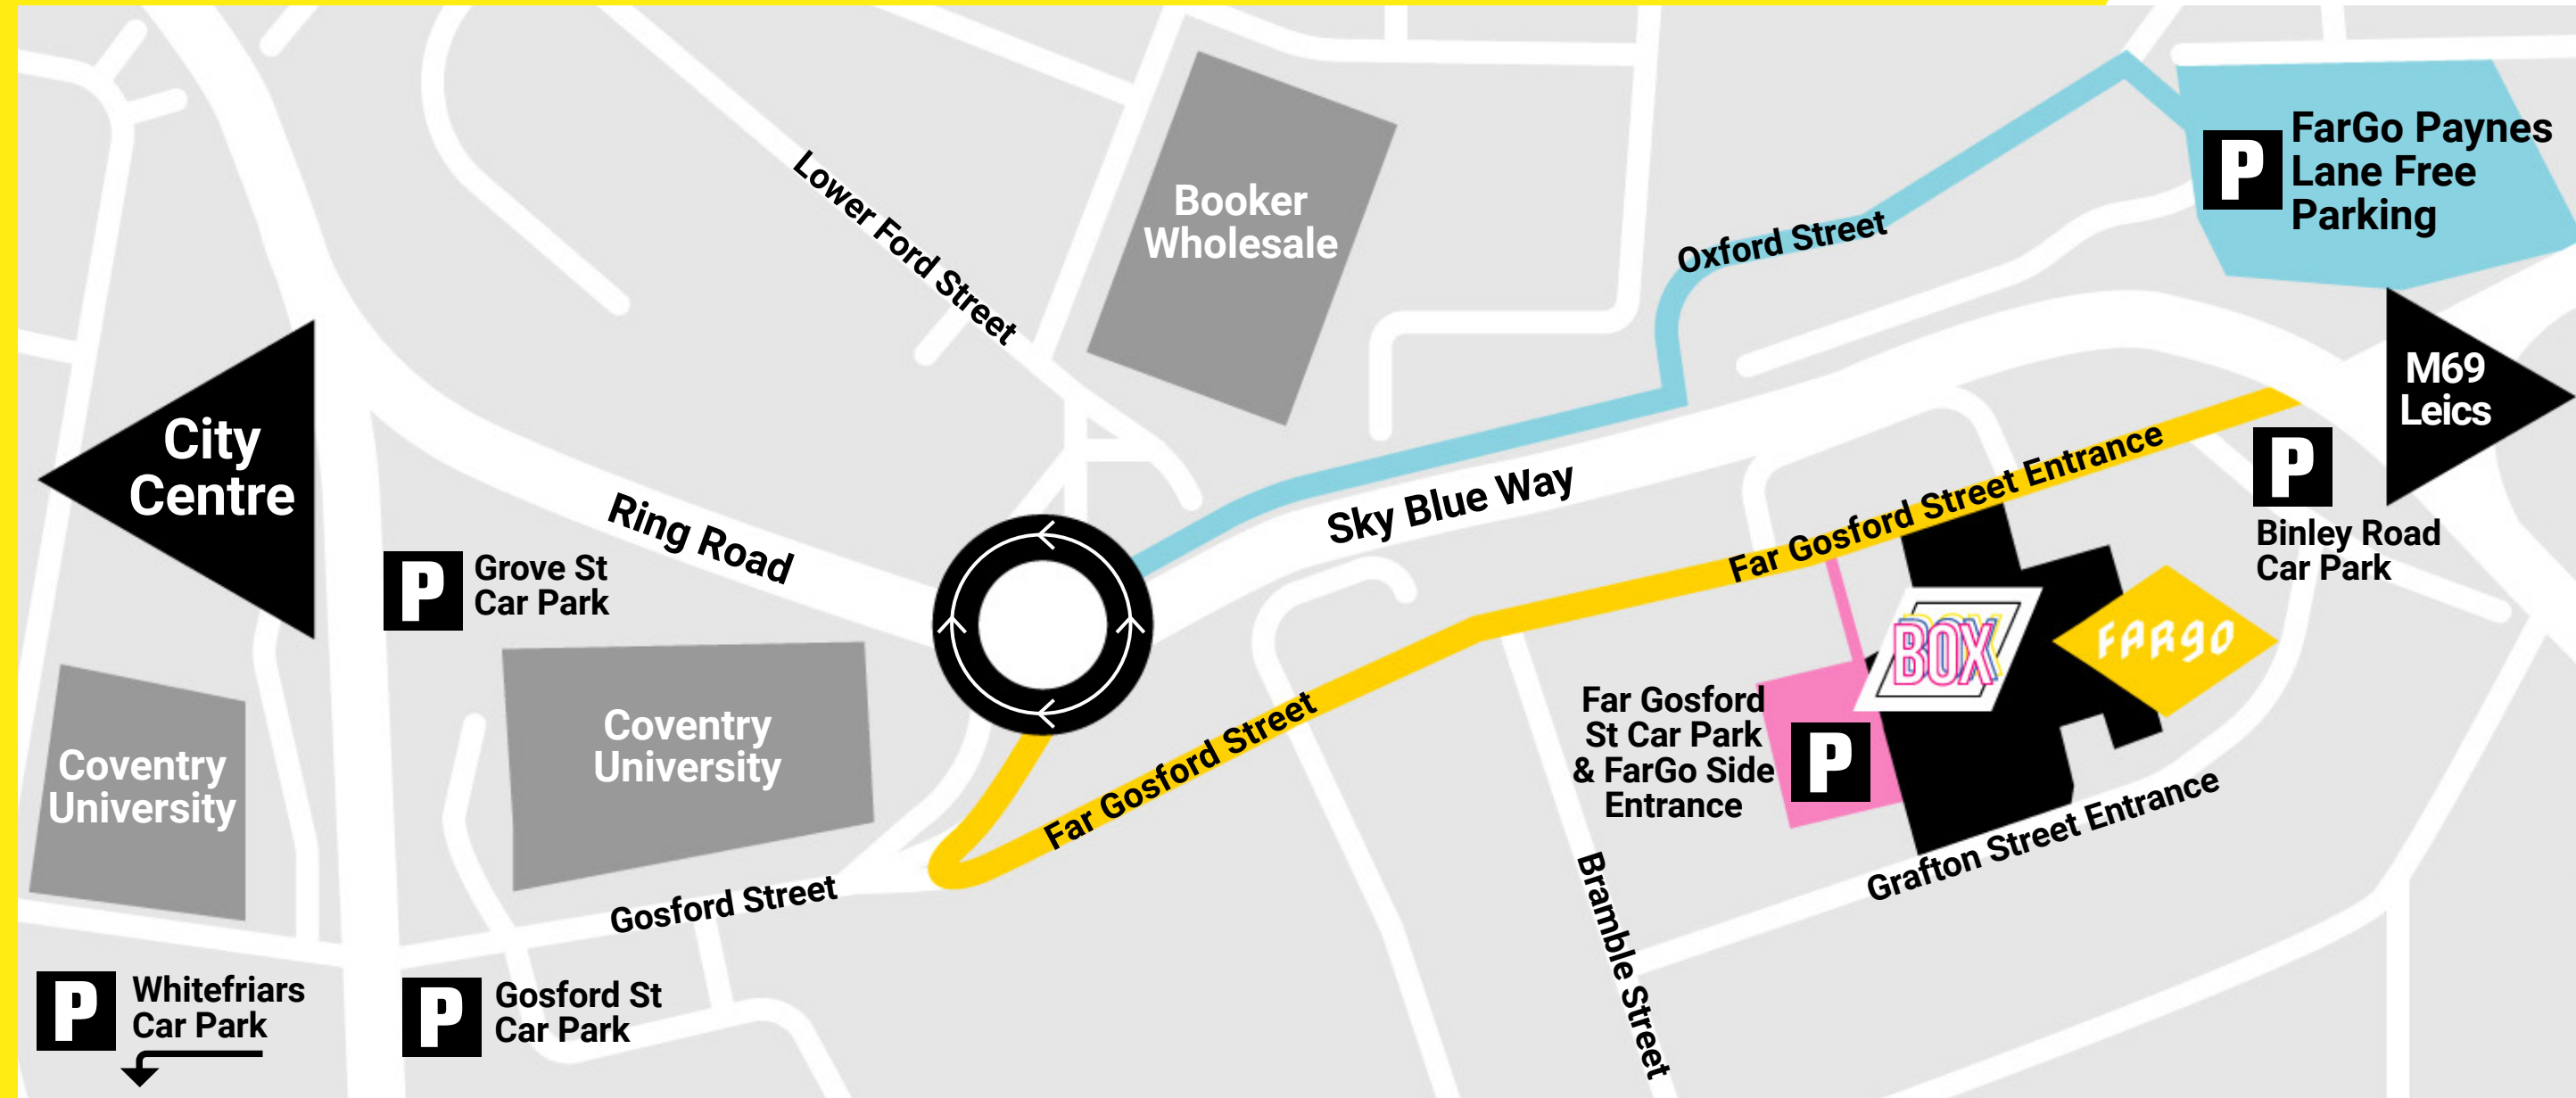

This hotel reserves its ***Lord Iliffe Suite*** for the special couple (subject to availability), this is the jewel in the crown of the hotel. This super-sized suite has a separate lounge area and bedroom with a super king-size bed, to top it all, the suite boasts its own Hot Tub terrace, with views over Belgrade Square and the city beyond.

You can find out more about the hotel [here](#).
